

Govern CAMA: General Information

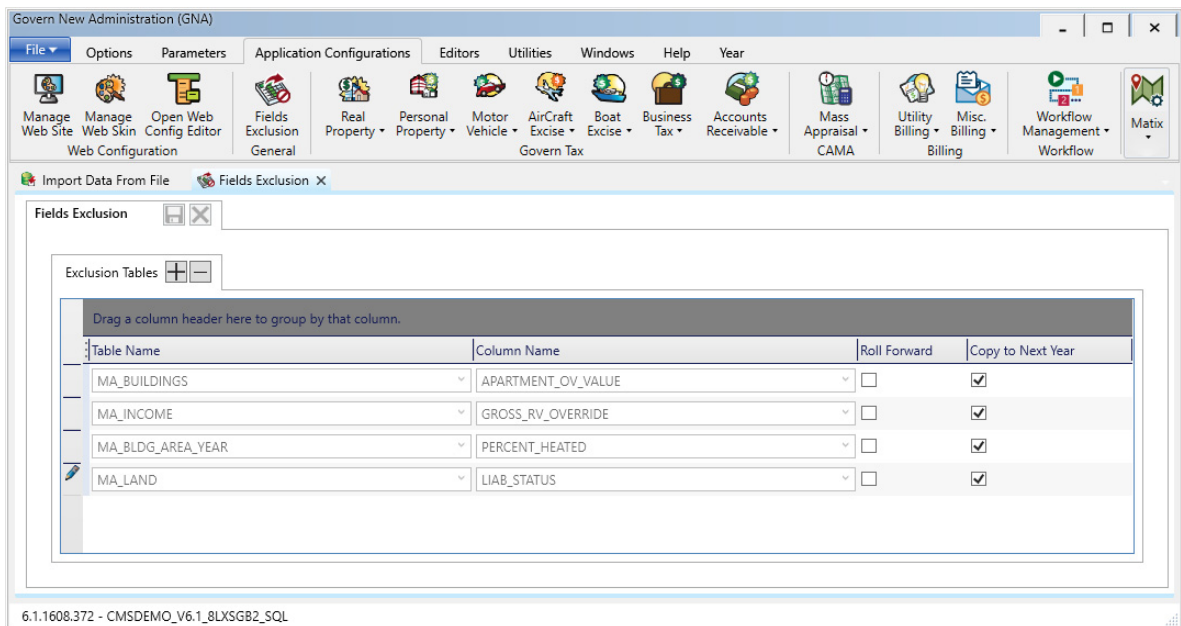

Field Exclusion

Overview

Use the Field Exclusion form to define the list of fields to exclude from the Roll Forward and Copy to Year processes. Fields that are listed are not copied to the destination year when you run a Roll Forward or Initialize Year batch process on a Mass Appraisal or Tax module. Otherwise, all fields are copied during these processes.

To access the Field Exclusion form:

1. Launch GNA.
2. Select **Application Configurations > Fields Exclusion**.

Fields Exclusion

Exclusion Tables

Drag a column header here to group by that column.

Table Name	Column Name	Roll Forward	Copy to Next Year
MA_BUILDINGS	APARTMENT_OV_VALUE	☐	☒
MA_INCOME	GROSS_RV_OVERRIDE	☐	☒
MA_BLDG_AREA_YEAR	PERCENT_HEATED	☐	☒
MA_LAND	LIAB_STATUS	☐	☒

6.1.1608.372 - CMSDEMO_V6.1_8LXSG82_SQL

3. Click the **Add** button.
A list of tables appears in the **Table Name** column.
4. Select the applicable table.
A list of columns appears in the **Column Name** column.
5. Select the applicable column.

6. Select **Copy to Next Year** to exclude the field from the **Initialize Year** process.
7. Select **Roll Forward** to exclude the field from the **Roll Forward** process.
8. Click **Save**.
